## **2023-2024 Billet Handbook**

**H A W K S**

## **A message from the President**

Billet families are crucial to the success of the Sheridan Hawks. We could not have a team if it we did not have great billet families willing to share their home with our players. We understand that you have volunteered your home for our players because you are supporters of the Sheridan Hawks Junior Hockey Club program and the young men who play for our team. We know that you hope for their success and happiness while they are in the Sheridan area.

Thank you again for your willingness to open your home to these young men who have joined our team. We could not provide our players such a positive learning experience, on or off the ice, without your help.

*Brent Milner, President  
Sheridan Hawks Junior Hockey Club, Inc.*

## **A message from the Billet Coordinators**

Billet families can have many positive experiences with our players. This handbook explains our policies and our procedures so that we can help make this experience even better.

A billet family provides:

- A home away from home in a welcoming and supportive environment
- Housing and meals for the player
- Influence and guidance for an elite athlete
- A bedroom or private area of the house

As a billet family, you will receive:

- A monthly billet fee of \$400.00 per player
- Free season tickets for home games for up to four family members still living at home
- Membership in the Friends of Sheridan Hawks booster club
- A big brother for any younger children in the home
- The opportunity to forge a lasting relationship with the player
- Billet family/team social events and occasional other gifts and benefits related to the Sheridan Hawks hockey team

If you know of anyone else interested in billeting a player this hockey season, please send us a recommendation or have them contact us. We would be more than happy to discuss any aspects of billeting with them and hopefully welcome them to the Hawks family. And please do not hesitate to contact me if you have any questions, concerns or problems.

*Carla Dunham, Billet Coordinator*  
(307) 752-9749  
*Sara Ferber-Davey, Assistant Billet Coordinator*  
(307) 751-2600  
*Sheridan Hawks Junior Hockey Club, Inc.*  
[billet@sheridanhawks.com](mailto:billet@sheridanhawks.com)

## **What is in the Billeting Handbook:**

As a billet family, it is always helpful to have some information close at hand as we make our way through the season. Included in this handbook you will find:

- Billeting Basics
  - Billet fee information
  - Assignment of billets
  - Information regarding important dates and schedule
  - Suggestions and Guidelines for billet families
- Billet Rules and Regulations
- A Player Code of Conduct
- A House Rules Form to be filled out and signed by the billet family and signed by the player, copies of which will be kept on hand and filed with the team

In addition, you will be provided with the following as soon as they are available:

- A Player Contact Information Sheet for your player(s)
- A Hawks game schedule, as well as practice and work-out schedules
- A list of players and billet families

# **Billeting Basics**

## **Billet Fee**

Each player will pay a \$400.00 billet fee directly to the billet family by the 1st of each month. While Player lives with a Billet Family, Player will pay to the Billet Family \$400.00 per month in Billet Fees on the 1st day of each month. In the event that a player moves in after the 1st day of the month a \$400 payment for that month is due upon move in date. In addition, Player is responsible for any bills and expenses the Player incurs while living with the family, including, but not limited to, excess phone, internet, TV, and on-demand charges and is responsible for any damage caused by the Player to the Billet Family's property. If the Player's playing relationship with the Sheridan Hawks is terminated for any reason, the Player shall vacate the Billet Family's property within 48 hours, without refund of any portion of the Billet Fee for the month in which the termination occurs, and with all outstanding bills and expenses accounted for and paid. Player shall abide by and follow any and all house and community rules set by the Billet Family and any violation of the same may result in disciplinary action and termination of the Player's playing relationship with the Sheridan Hawks. Any Billet Family concern or problem should be brought to the attention of the team Billet Coordinator, a Coach, the General Manager, and/or the President of the Sheridan Hawks.

## **Assignments of Billets**

All billet assignments are made by the Billet Coordinator and discussed with the Head Coach before being finalized. Players are initially placed into homes based on information gathered from interviews, questionnaires, and the available billets. In the event that a player or billet family makes a specific request, the Team will attempt to honor that request. While every attempt is made to match personalities, some matches are not successful. In a case where this occurs, it is the player and/or billet family's responsibility to contact the billet coordinator so that a solution can be worked out. This does not always mean that the player has to be moved. Sometimes conflicts can be resolved with added communication between the two parties. It is important to remember that all parties involved must feel comfortable with the placement. Any reassignments will be made by the Billet Coordinator with the Head Coach's approval. Players and billet families are not to make arrangements on their own.

## **Important Dates & the Sheridan Hawks Schedule**

The report date for the Sheridan Hawks will be in mid to late August and will be announced as soon as possible. Dates for Sheridan Hawks tryouts and training camps, as well as the season practice and game schedule, will be provided to Billet Host Families and players as soon as available, and will also be posted on our website [www.sheridanhawks.com](http://www.sheridanhawks.com), our Facebook page and [www.sheridanice.org](http://www.sheridanice.org). Dates and times for team activities and events other than scheduled games and practices will be given to the billet family as soon as they become available.

The end of season date will depend on the team's playoff status. Upon completion of the Hawks season, players are expected to move out and return home within two weeks unless prior arrangements have been made with the billet family. Any arrangements for a player to remain after the two week grace period are between the billet family, the player and the player's family with approval of the Head Coach.

## Suggestions and Guidelines for Billet Families

We greatly appreciate your help. Our job is not just to develop hockey players, but also to develop fine young men who are good citizens. This brief set of guidelines is not all-inclusive, but we hope will provide general direction. For detailed rules and regulations regarding billeting, please see the Player Code of Conduct and Billeting Rules and Regulations.

Communication lies at the heart of a successful billeting experience. Knowledge of what is expected avoids misunderstandings. Talk to your player and listen to your player. Be clear about your expectations and try to understand his concerns. The rules of your family are very likely different from the rules in his family. Don't let sore points go unaddressed. If you have a problem, discuss it. Should problems occur it is important to resolve them as soon as possible. Should problems occur that cannot be resolved, billet families should contact the Billet Coordinator.

The following are some things that you, the billet family and your player(s) should sit down and discuss shortly after their arrival:

- Player's parents phone numbers and email addresses
- Home address exchanges
- House keys
- Where to park their car
- Spare car key
- Answering the telephone and taking messages
- Removing shoes upon entry
- Meals: time, food allergies, likes and dislikes, cooking
- Where to put dirty dishes/washing and putting away dishes
- Cleanliness of bedroom
- Laundry, where does it go, who does it
- TV/Video game rules
- Where to store hockey equipment
- Where to post the hockey practice and team event calendar
- Rules when other players are over
- Snacks
- Who gets the mail and where is it placed
- Bathroom rules, shower times, wet towels, toilet seat
- Players' family and friends coming to town
- Rule regarding girlfriends and significant others
- Pregame rituals or naps by players
- Family quiet times

Privacy is important to you and your player. Please do not discuss any issues pertaining to the players living with you with other billet families or other players.

The team will enforce team guidelines, but you need to enforce your house rules. The players may be big and fast, but they are still young and they still need guidance.

The coach will do random curfew checks, but we need your help to enforce them. Players are never allowed to stay out all night. Treat these young men as if they were your own. Don't hesitate to enforce your rules.

The Head Coach is the only individual that can excuse a player from team activities and functions. If a player is ill or injured it is his responsibility to discuss being excused from team practices, games, or other activity. Similarly, only the Head Coach can authorize guests to attend team functions or activities other than as spectators to games.

Players should eat a wholesome and balanced diet. Meals are important, and we appreciate that you are willing to work with your player to see if he has any special needs or preferences. If possible, a player should eat four hours prior to a game. If you will not be present to prepare a meal, arrangements should be made so that the player can heat or prepare a meal for himself. PLEASE help us by feeding your players like you would your own child. Players are expected to inform you as far in advance as possible when they must miss a meal.

While we hope that all our players participate for the entire season, trades and releases are a part of the game at this level. Billet families are asked not to get involved with these. It is the Head Coach's job to deal with these and also to deal with the emotions of players and their parents that go along with them.

Enjoy your time with your player. We encourage you to be involved in his life and in his development as a young man. Go to his games if you can, and cheer him and the team on. In many cases, long lasting relationships and memories will be made.

We greatly appreciate your help. Our job is not just to develop hockey players, but also to develop fine young men who are good citizens.

Once again, we thank you for taking these young men into your homes. Please, do not hesitate to contact the Billet Coordinator with questions or problems.

# **Sheridan Hawks Junior Hockey Club**

## **Billet Rules and Regulations**

### **I. Weekday Activity**

Hawks players will attend all team practices and workouts as scheduled by the Head Coach unless excused by the Head Coach

The Hawks Board of Directors and the league require that each player be involved in school, work, or both. Players enrolled in school are expected to attend classes and to maintain passing grades. Hawks players who have graduated from high school are expected to enroll in college courses or obtain part-time jobs. Hawks personnel will monitor academic and work performance.

### **II. Evening Activity/Curfews**

Curfew means, the player is home, settled in for the night and friends have gone home.

Player curfew will be 10:00 p.m. Sunday through Thursday and evenings prior to all games.

During weekends and after games, curfew will be at 12:00 am.

Please note that curfews are determined by and at the discretion of the Head Coach and are subject to change. Billet families are not authorized to make any changes or exceptions to curfew times, with the exception that curfews earlier than those imposed by the team may be addressed in the house rules section of this handbook.

Players are not to spend the night at another player's home unless previous arrangements have been made through and approved by the Head Coach, or if the Head Coach is unavailable then the Assistant Coach or Billet Coordinator in that order. Billet families are not authorized to give approval for this but must agree to another player staying the night in their home.

Billet parents are expected to notify the Billet Coordinator when curfew is not adhered to or if a player is leaving after a curfew check. The Billet Coordinator will immediately contact the head coach and player curfew infractions will be dealt with by the team. Billet parents who allow their player(s) to repeatedly miss curfew without reporting it will be eliminated from the Hawks housing program.

### **III. Player Family Visits**

If a player's family is in town, he may request, through the Head Coach, to stay with them. However, approval is not automatic. The player must notify the Billet Coordinator and his billet parents when he has been given permission to stay with his family. The player is still subject to follow curfew rules. Other non-player friends and girlfriends must be out of the place of stay by curfew time. Curfew penalties will be determined and enforced by the head coach. Billet families will be notified that a penalty has been imposed but specific details will not be discussed. Players' parents will be notified.

There may be times throughout the season when players have the opportunity to go home for a few days. These trips must also be approved by the Head Coach. The player must notify the Billet Coordinator and his billet family immediately after the head coach's approval. Travel arrangements and expenses are the responsibility of the player and his family.

#### **IV. Non-family Visitation**

If friends, girlfriends or significant others, or other guests visit, players are still responsible to the same curfews. Players may not spend the night in hotels with friends, guests, or girlfriends or significant others. That is only allowed with parents and must be approved by the Head Coach. With prior approval by the Head Coach and at the invitation by the billet family, friends, guests, or parents may be allowed to stay in the billet home. Girlfriends or significant others are not authorized to stay overnight in the homes of your billet families ever.

#### **V. Team Functions and Activities**

Throughout the course of the season, there will be many functions that the players are expected and required to attend. The Head Coach is the only one that can excuse a player and he must authorize all team functions/events.

Please remember, these events are just that, TEAM functions/events. These events are **NOT** for Billet unless specifically invited as a group, by the coaching staff or Billet Coordinator, not by players. These events allow a chance for the players to bond as a team.

There will also be times when players are asked to assist with other youth hockey programs at the rink, participate in community outreach, community service and team fund raising. All players will actively participate in team functions including but not limited to community outreach, fund raising, public relations and other activities as directed by the Head Coach or team management.

There will also be select events throughout the season for everyone. Billet families are encouraged, but not required to attend most of these functions.

Billet family members are not allowed to enter the team locker room area at any time unless requested by the coaching staff in the event of an injury during game or practice.

#### **VI. Academics**

High school aged players are required to either be enrolled full time in High School, either in a local school or on-line. Players who have completed high school or their GED are required to take college courses either at a local college or online or have a part-time job. Players taking classes are required to maintain a minimum passing grade point average.

Players attending school will need a quiet place to study and prepare for classes. They are responsible for purchasing their own books and school supplies. High school players may attend an area senior high school and will need to follow the School District calendar for that particular school.

Players who are enrolled in school may choose to remain in the Sheridan area to finish the school year. If the player and his billet family desire to continue to maintain a housing agreement, arrangements should be discussed and made individually between the player and the billet family, as billet payments are made through the team only during the season. The team is not responsible for arranging housing for players other than for during the hockey season. Any post season arrangements for student athletes must be approved in writing by the tam.

## **VII. Billet House Rules**

Billet families have the right to have their player adapt to the activities of their household. You may want to outline with your player rules that are consistent with what you already have in place in your home. Examples may be limiting phone calls after a certain time, whether you are going to permit computer access and what time restrictions you may want to enforce.

The Billet House Rule agreement is also intended to assist in apportioning the household chores that you expect the player to assist with. It is the player's responsibility to help with household duties as designated by their billet. These duties include keeping their rooms clean, helping with food preparation and clean up, snow removal and any other duties that might arise. Host families are urged to set up and keep house rules regarding chores, laundry, meals, dishes, etc.

As a general rule, billet families that have children should apportion chores and house hold duties fairly between all children living at home and players.

Host families are expected to have discussions with the player(s) regarding the house rules. Players are expected to obey house rules as described and signed upon in the Billet House Rules agreement.

Situations of conflict should be brought to the attention of the Billet Coordinator, should a solution not be reached between the billet family and the player. It is the responsibility of the hosting billet family to report immediately to team personnel any inappropriate behavior.

Please fill out and sign and have players review and sign the attached House Rules Agreement form.

## **VIII. Billet Family Absence**

If billet parents are scheduled to be on vacation or otherwise out of town Billet Coordinator should be informed and players will be temporarily placed in alternative housing for the period of absence. Players are not permitted to remain in billet housing overnight when a billet parent is not present. In the event that a billet family will be on vacation or out of town, arrangements for temporary housing will be made only by the Billet Coordinator. At times a player may have a special request for specific temporary housing. Players must come to the billet coordinator with their requests. Most times these requests will be honored. However, all arrangements must be made through the Billet Coordinator and approved by the Head Coach.

## **IX. Diet/Meals**

Players are to have a well-balanced, healthy diet and are expected to maintain healthy eating habits.

Host families are suggested to have the players involved in planning meals and selecting groceries for the home. Players may have their own individual food preferences and many do have specific pre-game requests. Discuss food likes and dislikes early. Any allergies or other special dietary needs with host families or players should be disclosed and guidelines put into place.

Players must notify host families a minimum of two hours in advance if they will not be at a meal. Players are not to bring unexpected guest(s) to dinner. If a player desires to have a teammate or other guest over for a meal, permission from the billet family is required in advance.

Players are not to have guest(s) over for meals when the family is not home.

Players should be familiarized with the kitchen, including the dishwasher. Players might be expected to prepare some of their own food and help with food preparation and clean up.

Billet families are expected to make sure there is adequate food in the house for the players assigned to them. Billet families are not expected to provide food for any other players or guests of players.

Many billet families have working parents who are not at home during the day. In this instance, they are required to supply foods for breakfast and lunch that can easily be prepared by the players or prepared in advance for player consumption.

Please feed your player like you would your own children. There are many horror stories around the league of players being fed inadequate meals or given frozen snack food while the host family eats home cooked meals or goes out every night for dinner.

If players believe their billet is not providing adequate food, please talk to Head Coach and/or the Billet Coordinator so the team can check into the situation. Similarly, if the billet family feels there is an unrealistic expectation of what food their player(s) are requesting this should be brought to the attention of the Billet Coordinator.

## **X. Drug, Alcohol and Tobacco Use**

Drug and alcohol use will not be tolerated. Please see substance abuse/drug testing policy. There will be no alcohol consumed or illicit drug use by any player, anywhere while under contract with the Sheridan Hawks Junior Hockey Club. Drinking or using drugs while under contract with the Sheridan Hawks can and will result in disciplinary action up to and including removal from the team. Billet families that provide or serve drugs or alcohol to players will be removed from the billet program, and reported to law enforcement agencies as appropriate.

The rink is a smoke free facility and all team functions and activities are smoke and tobacco free. Smoking and tobacco use will not be tolerated at the rink or team functions and activities.

## **XI. Player Expenses**

Any additional expenses beyond food and board that a billet family incurs on behalf of a player are the responsibility of the player. Board includes items such as bedding, toilet paper and laundry supplies. Players are required to supply their own toiletries, prescription or over-the-counter medications, clothing, cell phone or calling cards, and personal transportation.

Host parents should not buy players equipment.

Players are responsible for their personal finances.

Host families may choose to provide for other additional expenses at their discretion.

Players will be held personally and financially responsible for any damages do to their billet family's home or property

## **XII. Transportation**

Players are encouraged to bring their own cars to the Sheridan area. If a player does not have a personal vehicle, it is not the responsibility of the billet family to provide a car or transportation for the player. Players without personal vehicles are required to make transportation arrangements with other players living with or close to them, and make arrangements to reimburse the other teammate to help cover his gas expenses. All players are required to travel with the team to and from all away games.

### **XIII. Telephone, Internet Access, Social Media, Entertainment**

All players are required to have a calling card or a personal cell phone. If the billet family has a land-line telephone, players are not to charge telephone calls on their billet family's phone. All phone calls must go through a calling card or the players' cell phone. In homes with landlines, how the telephone is to be answered and how messages are to be taken should be addressed in the House Rules section of this handbook, as should limitations on telephone usage.

Most families today have internet access within their homes. This is encouraged but is not a requirement for the billet families. Players are not to access pornography or pirate copyrighted or otherwise protected material through their billet's Wi-Fi/Internet connection. Violation of this rule will result in expulsion from the team and player responsibility for any costs incurred to the host family.

Host families should not expose players to inappropriate material including on the internet, television or movies.

### **XIV. Firearms**

Players are not allowed to be in possession of firearms while under contract with the team. Billet families with firearms in the home should keep them in locked storage.

### **XV. Discrimination and Harassment**

Discrimination or harassment is behavior that compromises the integrity of another person and is detrimental to morale, productivity, or personal well-being. This may be presented in actions or remarks relating to sex, race, ethnic origin, color, religion, age, sexual orientation, handicap, or other ways which are intended to be intimidating, humiliating, or malicious. Such behavior can have serious repercussions on the team environment, for the individuals involved and those around them.

Discrimination or harassment of any kind will not be tolerated by anyone involved with the Sheridan Hawks Junior Hockey Team. This includes players, coaches, other team personnel and billet family members.

All Hawks players will treat community residents with respect and integrity. Each Hawks player should realize that the club is a community effort.

### **XVI. Girlfriends, female companions and significant others**

Player girlfriends, female companions or significant others are not welcome during official Hawks activities unless agreed upon by the Coach and President. At no time will girlfriends, female companions or significant other be allowed in the Hawks dressing room, travel vehicle, or away game accommodations. Player girlfriends, female companions or significant other are also not allowed in billet homes except as otherwise stated in the Billet Rules and Regulations.

### **XVII. Privacy and Confidentiality**

It is important for players to respect the privacy of the billet family and the billet families to respect the privacy of the players. Privacy and confidentiality are two-way streets; all parties concerned should be sensitive to this. As a player, your billet family's daily life is not a topic open to discussion with others, including teammates, schoolmates or co-workers. As a billet family your player's daily life is not a topic open to discussion with others.

## **XVIII. General Conduct and Consequences**

Players and billet families are expected to conduct themselves in a respectful manner at all times and should provide a positive image in the community for the team and organization. Host parents must notify the Billet Coordinator regarding violations of team rules, player code of conduct and billeting rules.

Players of the Sheridan Hawks are ambassadors of the organization. Behavior deemed inappropriate and/or in violation of this agreement, after review by the Coach and President, will be subject to appropriate discipline, up to and including expulsion from the team.

## **XIX. Example of Billet Disciplinary Procedures**

Host family and player communicate with each other and resolve issue to mutual satisfaction.

Host family/player contacts Billet Coordinator.

Team takes disciplinary action with player or removal from the billet home as deemed appropriate.

## **XX. Emergencies**

In case of emergency, in addition to the player's family, please contact one of the following team representatives in the order listed:

In case of emergency, in addition to the player's family, please contact one of the following team representatives in the order listed:

Billet Coordinator:	Carla Dunham (307) 752-9749
Assistant Billet Coordinator:	Sara Ferber-Davy (307) 751-3600
Assistant Coach:	Cameron Dimmitt (517) 894-4599
Head Coach:	J.J. Santagata (516) 554-3851
President:	Brent Milner (307) 461-0903

## **XXI. Billet Fee Payment**

Each player will pay a \$400.00 billet fee directly to the billet family by the 1st day of each month. Team management will be responsible for collecting billet fees from a player if payment is not made in a timely fashion. It is the responsibility of the billet family to notify team management if payment is not received from a player or player's family.

Each billeted player will pay the full month billet fee for the current month to their billet family upon arrival. If the Player's playing relationship with the Sheridan Hawks is terminated for any reason, the Player shall vacate the Billet Family's property within 48 hours, without refund of any portion of the Billet Fee for the month in which the termination occurs, and with all outstanding bills and expenses accounted for and paid. The remaining billet fee will help to cover shortages incurred by billeting families as the monthly billet fee does not cover actual costs incurred by the billet family in housing players.

The March billet fee will be paid in full on the 1<sup>st</sup> of the month. As it is impossible to determine exactly when the teams post season will come to an end, as this depends on making and participating in the division playoff and league championship series, billets will be paid for the entire month of March. Players may stay until the end of the month of March with billet family permission or may leave as soon as regular or post season play ends and exit meeting are completed. There are no refunds given if the player leaves before the end of the month of March.

Any player whose billet check does not clear the bank will not be allowed to play or practice until the delinquency is corrected. Players in arrears for billet fees as of the 7<sup>th</sup> day of the month will not be allowed to practice or participate in any other team activities or functions.

## **XXII. Dissociation of Player and Termination of Season**

If the Player's playing relationship with the Sheridan Hawks is terminated for any reason, the Player shall vacate the Billet Family's property within 48 hours, without refund of any portion of the Billet Fee for the month in which the termination occurs, and with all outstanding bills and expenses accounted for and paid. The remaining billet fee will help to cover shortages incurred by billeting families as the monthly billet fee does not cover actual costs incurred by the billet family in housing players.

At the end of the playing season, unless otherwise addressed in Section IV. Academics, the Player shall vacate the Billet Family's property within 48 hours, without refund of any portion of the Billet Fee for the month in which the termination occurs, and with all outstanding bills and expenses accounted for and paid. The remaining billet fee will help to cover shortages incurred by billeting families as the monthly billet fee does not cover actual costs incurred by the billet family in housing players.

## **Sheridan Hawks Board of Directors**

CHAIRMAN & PRESIDENT: Brent Milner

DIRECTORS: Dave Nelson, Sam Suzor, Ryan Johnson, Scott Alexander

# Sheridan Hawks Junior Hockey Club

## Player Code of Conduct

All Sheridan Hawks players, coaches and other related hockey personnel will represent the club's high standards both on and off the ice as representatives of the organization.

As official members of the Hawks, our players are role models for younger players and youth in the community and we expect them to behave accordingly.

### Player Code of Conduct

- Player girlfriends, female companions or significant others, may visit only if allowed by the host family and when an adult member of the host family is present. Player girlfriends, female companions or significant others must leave at curfew. Under no circumstance are girlfriends, female companions or significant others allowed to stay overnight at host family's home.
- Use or possession of alcohol or drugs is not allowed.
- Use or possession of tobacco products by players under the age of 18 is not allowed. The rink is a smoke free facility and all team functions and activities are smoke and tobacco free. Smoking and tobacco use will not be tolerated at the rink or team functions and activities.
- Players will be held personally and financially responsible for any damages do to their Billet family's home or property.
- Players are responsible for personal finances.
- Firearms are not allowed.
- High school aged players must be enrolled full time in either a local high school or taking equivalent course work on-line. Players that have graduated from high school or completed a GED must take at least two full time college classes either at a local college or on-line or have a minimum 20 hour a week part-time job during the season. Players taking high school or college classes are expected to attend class and maintain passing grades in all of their subjects. Work and classes are to be scheduled around hockey obligations.
- Players must attend scheduled practices and required meetings. If it is necessary to miss a practice or meeting, permission must be given by the head coach in advance
- Swearing, disrespectful, or disruptive behavior is not acceptable.
- Equipment issued to the player is expected to be cared for properly. If equipment is not returned, player eligibility for further hockey participation will not be released until the account is settled.
- The locker rooms, both at the Whitney Rink at M&M's Center and at rinks for away games, are to be left clean.
- Stealing will not be tolerated.
- Hazing, which is the harassing of other players with meaningless, difficult, or humiliating tasks, is not acceptable.
- Adherence to the dress code is required on game days.
- Players are expected to demonstrate good sportsmanship at all times.
- Violation of team or league rules and regulations, or verbal instructions from the coaching staff, responsible escorting personnel, billeting family, ice arena officials, hotel/motel personnel, restaurant personnel, transportation personnel, etc. or causing any public disturbances will not be tolerated.
- Players will abide by all terms of Sheridan Hawks Hockley Club, Inc. Player Agreement
- Failure to follow the Player Code of Conduct will be subject to disciplinary action up to and including termination from the Sheridan Hawks.
